Kegel Kode: 3043 | Pattern designed for use in Kegel TRANSFER ROLLER/ WIPER BAR machines. | This 43 foot pattern has more out of bounds than most patterns because of the increased application of conditioner on the forward pass. With a slight increase slope of oil from the tenth board to the fourteenth board on the return pass, the goal of the player is to target along those boards of extra conditioner without swinging the ball too much towards the outside part of the lane.
